

Are you facing these problems as a parent?

- ✓ Lack of communications with your child
- ✓ Disciplinary problems
- ✓ Video game addiction
- ✓ Providing your child with the right guidance and supports
- ✓ Motivating your child positively
- ✓ Developing a parent-child relationship
- ✓ How to encourage rather than discourage
- ✓ How to enhance, strengthen, and reinforce their self-esteem, self-confidence, communication, interpersonal, stress and mind management, and leadership skills

DALE CARNEGIE
TRAINING

Dale Carnegie Training expert will *explore* with you through a *different* scope of how to improve parent-child relationship. Experience a different perspective with the trainer.

Premier Education cordially invites parents to attend our Dale Carnegie Workshop. Professionals will eliminate your problems with you.
